charity begins at home

Stay at home, give thanks and support
Yorkville Common Pantry

November 15, 2009

This year, Charity Begins at Home

Yorkville Common Pantry (YCP) hosts a **Fall Event** and a **Spring Awards Benefit** each year. This year, instead of attending our Fall Event, we invite you to relax at home while supporting YCP.

The Yorkville Common Pantry is dedicated to reducing hunger while promoting dignity and self-sufficiency. YCP champions the cause of the hungry through food pantry and meal distribution programs, nutrition education, basic hygiene services, homeless support, and related services. YCP's community-based programs focus on East Harlem and other underserved communities throughout New York City.

This year,

- Our meal count has gone up 19%, surpassing 2 million
- We've served 14,503 people, up 32%
- Visits from our pantry families have increased 20%

YCP thanks Sherrell Andrews and Rob Kuhbach, Candice and John Frawley, Linda and Paul Holt, Gerard M. Meistrell, Didi and Oscar Schafer, Veronica and Michael Stubbs, and Elaine and Robert Weiss for underwriting this special evening.

We cordially invite you to spend a NIGHT AT HOME,
give thanks and support YCP's programs

November 15, 2009

On behalf of YCP, kick back and relax this evening. Put a little music on, invite good friends and loved ones to come over, and enjoy a meal together. For your fellow New Yorkers in need, make a selection from the enclosed "Take Out Menu." Be thankful for life's blessings and celebrate helping others.

100% of all proceeds from this special event will fund meals for YCP's growing number of pantry clients. Contact Abigail Franklin at 917-720-9707 for more information or afranklin@yep.org
